We are joined on our program this evening by musicians from
Orange County's Pacific Symphony.

Thanks to a generous donor, all of our Upper and Middle School instrumental music classes were able to participate in an on-campus residency by the musicians of the Pacific Symphony Orchestra. From section rehearsals to side-by-side performances, our students are extremely grateful to receive these dedicated interactions with members of our local professional orchestra.

We would like to thank the following professional musicians for coaching our students:

John Acevedo, viola
Douglas Basye, double bass
Dave Black, double bass
Nancy Eldridge, violin
Cindy Ellis, flute
Dana Freeman, violin
Dave Gehart, percussion
Andy Honea, cello
Kenneth McGrath, percussion
Carolyn Riley, viola
Rob Schumitzsky, violin
Ann Tenney, violin
Marlajoy Weisshaar, violin

We are also joined on our program this evening by musicians from
The Orchestra of St. Margaret's.

The Orchestra of St. Margaret's

Established in the Spring of 2012, The Orchestra of St. Margaret's is a community symphony and ensemble-in-residence at St. Margaret's Episcopal School. The Orchestra's mission is to provide Orange County students with a unique mentoring experience in orchestral training while supporting the ongoing operation of the school's Performing Arts Center. Members of the symphony include faculty/staff, private teachers in our applied music program and our local area, parents in the school community, and devoted amateur musicians, along with advanced K-12 students.
